Parents & Guardians:

This is the report card for Preston School issued by the State Department of Education for the school year of 2014-15.

Please take a moment to look over this report card and if you have any questions about any of the information it contains, feel free to call and discuss them with me.

We will continue to strive to do our best to educate our students in all areas and at all grade levels. We will continue programs already in place and add new ones to improve student performance in the low areas.

We also thank you for your help and understanding in educating our students.
